We want to give you a chance to look at all of the wonderful pictures we took at our open house on Sunday, June 11. See the link below.

JFS OPENED ITS DOORS TO THE COMMUNITY AT THE OPEN HOUSE

On a glorious, cloudless, oppressively hot Sunday afternoon on June 11th, JFS opened up its doors and gave the Harrisburg community a glimpse of all the "cool and awesome" services provided between our four walls. Over the course of an hour and a half, approximately 55 visitors were treated to tours of the offices, information about our services and a variety of light refreshments and beverages. JFS took advantage of the opportunity to display the recent cosmetic improvements to the building as well as unveil plans to more fully renovate the facility through a generous grant from the Dauphin County Local Share Gaming Commission. We also want to thank W & L Sales for its generous donation of beverages for the open house. Click [here](#) to see photos from the

DAY OF PAMPERING By Shelley Adler

On Sunday, June 4th, Jewish Family Service and Temple Ohev Sholom Sisterhood co-sponsored the 4th annual Day of Pampering for Caregivers. The event was created to offer a day of rest, relaxation and respite to men and women who are caring for family members with special needs. More than 70 men and women volunteered their time and talent to honor caregivers who perform acts of loving kindness each and every day.

Mary Caufield, Shelley Adler, Barbara Bazelon, & Carol Lopus of the planning committee. Also on the committee are: Elissa Arch and Elizabeth Johnson.

The Day of Pampering began with a sit down luncheon prepared by a group of local cooks. A table hostess welcomed each guest to their designated table. Another entourage of volunteers plated and served lunch to our 65 guests.

A loving group of local practitioners donated their services to create a "spa day" for our guests. The services included reiki, chair massage, reflexology, chair yoga, Himalayan bowl sound meditation, group acupuncture, craniosacral massage and skin pampering. Guests also had the opportunity to network with other caregivers to share their experiences. Click [here](#) to see a message posted on Facebook by one of our guests.

The next Day of Pampering will take place on Sunday, June 3, 2018. Registration on the DOP website will begin in March.
