November 2019

Dear Friend,

In this upcoming season of Thanksgiving, I want to thank you for your ongoing commitment to the many life-saving services we offer through Jewish Family Service. Your most recent gift helps us make this a reality, whether it's:

- finding safe and nurturing homes for children through AdoptionLinks;
- promoting the health and well-being of older adults through Finkelstein-Cohen Kosher Meals on Wheels;
- encouraging self-sufficiency through our Project Lift and Back-on-Track initiatives; or
- gaining emotional strength and new skill sets through our Myndworks Counseling Program.

You are an integral part of what we do. Together, we have the capacity to make our community a better place for all of us to grow and thrive.

Sincerely,

Barry Stein
Executive Director

Robert Wolff
Board President

P.S. Words cannot express how thankful we are for your support!
