

## JFS AGENCY UPDATE July 2019

### Day of Pampering Recap

Jewish Family Service was a proud partner of the 2019 Day of Pampering held on June 2 at Temple Ohev Sholom.

This important community event aims to rejuvenate and energize caregivers, who selflessly give of themselves throughout the year, with a spa day of their own!

Thank you to the 35 practitioners who helped to make this day a great success. Visit our blog for more info about this year's event.

### Jewish Family Service Visits the Harrisburg Senators

Jewish Family Service was pleased to share info about our programs and services at Jewish Heritage Night at the ballpark!

As an organization that helps people of all races, religions, and ages meet life's challenges, we could not let a rainy night stop us from injecting positive energy into the pregame festivities!
