Dedication

Thanks to the generosity of an anonymous donor, this annual report is dedicated to Marjorie Sherman in recognition of her quiet but powerful expressions of *tikkun olam* throughout the Capital Region.

May Marjorie’s commitment to our shared values be an ongoing reminder of the difference each of us can make in the lives of others.
MISSION STATEMENT

JFS helps individuals and families meet life’s challenges; we are a forward-thinking mental health and social service agency dedicated to helping people achieve their full potential while honoring choice, diversity and Jewish values through every stage of life.
Jewish Inspiration... Universal Relevance

Tikkun Olam is embedded in our DNA.

It informs not only how Jews (and those of like mind) see the world, but how we embrace fragility and the moral imperative to dignify those who are vulnerable; those requiring either temporary or sustained supports, be they purely practical, therapeutic or even material.

Inspired by that very ethic, Jewish Family Service (JFS) strengthens families through adoption services. JFS strengthens seniors through a broad spectrum of personal supports. JFS strengthens every corner of our diverse community, regardless of background, through family based mental health services, counseling services, kosher meals-on-wheels, a kosher pantry and more.

We do so because we honor G-d’s most compelling directive which reminds us that the fragility of the human condition requires a humane response.

While JFS provides a safety net born out of what is arguably the most defining Jewish tenet of all, we also believe our social relevance speaks volumes about the community that sustains our mission. Because of your generosity, JFS brings healing to the world. Tikkun Olam brings every donor full circle into G-d’s warm embrace, and all who are impacted by our work grow stronger.

Recognizing that each of us could require such compassionate support at any moment in time, we thank you for your continuing belief in JFS’s enduring mission. It is because of your abiding respect for mankind’s interconnectedness that we can all aspire to a human condition worth sharing.

Written by Lisa Ramirez
2015 Message from the President and Executive Director

What a difference one year has made in who we are at Jewish Family Service and what we can offer to our community. As we look back over our fiscal year ending August 31, 2015, it is with much satisfaction and optimism that we share this FY 2015 Annual Report with you.

As always, we want to begin by thanking our contributors and our volunteers for their vital support of our agency. Without your help, we would never be able to serve as many individuals and families in the community as we do.

The past year has been a time of change at Jewish Family Service driven by two major goals:

1. Working to assure that our diverse services continue to truly meet the needs of the Greater Harrisburg community, we embarked on and completed a strategic planning process which incorporated input from partner organizations and client groups alike. This process helped us identify a series of programmatic objectives including:

   • To establish SeniorLinks as the provider of choice for providing high quality care management services to area seniors and their care giving families.
   • To expand Counseling Services by broadening our clinical specialties and customer base.
   • To increase capacity for families seeking professional and quality family-based mental health services.
   • To effectively meet the growing needs of foster children by actively recruiting families and facilitating more placements.

2. Securing the financial sustainability of the agency through a rigorous review of our finances and enhanced fund-raising to promote program growth.

We are pleased to report that we have made major strides as a result of these efforts. As you will see from the audited financial statement reflected in this report, we ended the past year with a modest surplus. Equally important, we continue to work more and more closely with our sister agencies, most notably the Federation and the Jewish Community Foundation.

By sharing staff and strategies with the Federation, we have begun to pave the way for significant ongoing collaboration. We are also proud to be a participating member of the Grinspoon Life and Legacy Initiative, which is being coordinated through the Jewish Community Foundation and will provide us an important source of income for assuring our future financial well-being.

Karen Ball
JFS Board President

Barry Stein
JFS Executive Director
JFS Board of Directors 2014-2015

MYND WORKS COUNSELING PROGRAM

Jewish Family Service MyndWorks Counseling Program serves children, teens and adults for individual therapy, play therapy, couples and family counseling

Our therapists are experienced in many areas, including:
- Directive and Non-Directive Play Therapy
- Cognitive Behavioral Therapy
- Treatment of anxiety and depression
- Dialectical behavior therapy (DBT)
- Grief and Loss for children and adults
- Treatment of trauma and PTSD through the lifespan
- Parenting Issues, including parenting of foster and adoptive children, and separated couples co-parenting
- Social Skills Groups - Social Sense - for children ages 5-12
- Social Skills Group - Skills for Life or S4L - for teens 13-19

JFS is the home of these therapists:
- Rachel Kuhr, LCSW,
- Mary Tarbell, LPC, R-PT, Bryna Sherr, LCSW, and Marjorie Koch, LCSW

Total of Children and Adults Served - 190
Number of New Children Served in 2015 - 50
Number of New Adults Served in 2015 - 18
Family Based Mental Health Program - 14 families served
ADOPTIONLINKS

Our comprehensive Adoption Program is structured to provide services both now and in the years ahead. We are available for consultation, counseling, training and coordination between a family and the placement agency. We assist families with private/domestic, foster-to-adopt and international adoptions.

JFS is a SWAN affiliate agency. Services include: Preparation Services (counseling and training), Home Study Services, Placement Services, Birth Parent Counseling, and Post-Adoption Services (state funded case management, respite, and a support group).

Number of New Children Served in 2015: 52
Number of New families receiving services from our Post Permanency program: 9
Total Number of families served from our Post Permanency program: 14
Number of Children served through Foster Care placement: 4

JFS has a Support Group for families that have already adopted or are in the process of adopting. Started in 2003, it is the longest running adoption support group in the area and is open to any family that has adopted internationally, from the foster care system or completed a domestic infant adoption.
Harry and Collin were a lot alike - best friends in high school, and both on the football team. They had one big difference - Harry lived in a residential facility and Collin was an only child living with his family.

High School Football teams have a Parents Day. As each player is announced, he runs out onto the field and stands proudly with his family. The crowd cheers. As Collin was getting ready for Parents Day, he told his parents “Harry needs a family on that field.” Collin’s parents were Harry’s family that day.

After that day, Harry started spending time with Collin and his family regularly. Everyone got along.
The family contacted Jewish Family Service (JFS) and within a year, Harry officially joined Collin’s family as a brother.

Harry’s adoptive mother sums it all up this way, "it was a blessing that our 14 year old led us to adopt Harry."

Both Harry and Collin prepared this past year for a new adventure. They graduated from high school and went off to college together.
GERIATRIC CARE MANAGEMENT (GCM) - helping to support independence and maintain the wellbeing and safety of seniors with dignity and respect. Services include assessment, monitoring, coordinating care, medical and non-medical advocacy, counseling, planning and coordinating moves if desired. GCM supports both seniors and their caregiving families by maintaining independence longer which promotes wellbeing and ultimately can help preserve resources.

19 people served in 2015

JFS has two United Way supported programs - TWO’S COMPANY and KMOW

Over 40 volunteers help provide friendly visiting through TWO’S COMPANY and assist with meal packing and delivery for KMOW.

KOSHER MEALS on WHEELS (KMOW)

4,551 meals prepared and served this year

SUPPORTIVE SERVICES - FOOD PANTRY

Many groups and individuals generously donate food and funds for our Food Pantry. Lillian Rappaport (far right) and her students and families from Ohev Sholom have contributed to the food pantry for over 20 years

Number of visits to the food pantry this year: 90
